

## **Invitation to Meet from President Daniels and Provost Kumar, May 5, 2019**

May 5, 2019

Dear Student Protesters,

We are writing to follow up on Friday's offer to meet with student protesters who have been occupying Garland Hall over the past few weeks. To solidify our commitment, we will be available to meet at 9:30 a.m. tomorrow (Monday, May 6) at FastForward U (320 W 29th Street), to discuss the substantive issues you've raised and your request for amnesty.

This meeting invitation is extended in good faith to any student protester who has or is willing to leave the occupation shortly. You are welcome to bring members of the student News-Letter with you, and we are happy to support transparency by broadcasting the meeting through university live stream.

The meeting can accommodate 30 to 35 students. We would request RSVP to [Studentaffairs@jhu.edu](mailto:Studentaffairs@jhu.edu).

We look forward to having a productive conversation.

Sincerely,

Ronald J. Daniels  
President

Sunil Kumar  
Provost and Senior Vice President for  
Academic Affairs
