

Message from President Daniels and Provost Kumar Regarding a Meeting with Student Protesters, May 8, 2019

Dear SAPP and Anti-ICE coalitions,

We are writing to follow up on the commitment to schedule a meeting with student protesters who left Garland Hall voluntarily today.

We would like to offer a meeting time soon after the conclusion of exams, and before the start of summer, and we both have some availability on Tuesday, May 21. Our suggestion would be to include perhaps 10-15 student representatives of your respective coalitions and to structure our time together as a two-part discussion, with an hour for each topic.

To arrange the meeting, please contact our offices at president@jhu.edu or provost@jhu.edu.

We look forward to having a productive conversation.

Sincerely,

Ronald J. Daniels
President

Sunil Kumar
Provost and Senior Vice President for Academic Affairs
