For More Detailed Information Click [Here](#)

Deadlines:

Internal Application: September 8, 2020

Full Application: September 30, 2020

Opportunity Summary:

The Google PhD Fellowship recognizes outstanding graduate students doing exceptional work in computer science, related disciplines, or promising research areas. The Fellowships directly support graduate students as they pursue their PhD, as well as connect them to a Google Research Mentor. Eligible fields are:

- Algorithms, Optimizations and Markets
- Computational Neuroscience
- Health Research
- Human Computer Interaction
- Machine Learning
- Machine Perception, Speech Technology and Computer Vision
- Mobile Computing
- Natural Language Processing (including Information Retrieval and Extraction)
- Privacy and Security
- Programming Technology and Software Engineering
- Quantum Computing
- Structured Data and Database Management
- Systems and Networking

Previous awardees: Chenxi Liu (2019), Fang Han (2013), Carolina Parada (2010)

Eligibility & Requirements:

- Must be a full-time graduate student pursuing a PhD.
- Must complete graduate coursework by the fall of the award year.
- Students must remain enrolled full-time in the PhD program for the duration of the Fellowship or forfeit the award.
- Google employees, and their spouses, children, and members of their household are not eligible.
- Students already supported by a comparable industry award are not eligible.

Internal Nomination Process:

Interested applicants should submit the following documents:

1. [JHU Limited Submission Cover Sheet](#)
2. Research / dissertation proposal (maximum of two pages of text only, single spaced: 12-pt font and one-inch margins) (Note: figures, tables, and other reference material may be included in addition to the 2 pg. text limit)
3. One letter of recommendation from thesis advisor
4. CV with website links and publications (if applicable) for student **and** primary advisor
5. Current and previous academic transcripts
