## Notes:

Completion Year

Completion year 2016-2017 includes: Fall 2016 , Winter 2017, Spring/Summer 2017. All data as of November 1st census date.

Race and Ethnicity and Underrepresented Minority (URM):

A postdoc is reported as URM if ethnicity/race is reported as one of the following:

- African American/Black
- American Indian
- Hispanic/Latina/Latino
- Pacific Islander
- Multiracial when one or more are from the preceding racial and ethnic categories.

Only domestic postdocs are considered part of the URM group and thus all URM percentages are reported out of the domestic population.

- School of Medicine Clinical Fellows and Trainees not included.
- Some post docs have had more than one appointment with a significant gap between end of one and the beginning of the next one. The time and training for these postdoc appointments have been summed excluding any gap period.
